

First C.A.R.E.™

A Nutritional Supplement for Calves

Key Points:

- Naturally helps stabilize the immune system.
- Provides immediately available energy sources to promote foal vigor.
- Encourages a desirable microbial balance in the gut.

Available Sizes:

120 cc bottle (12 per case), 500 cc bottle (6 per case)

Product Features:

Rich source of unique proteins and nucleotides

Oregano oil extract

Glycerol and olive oil

Natural vitamin E

Cherry flavored sweetener

Product Benefits:

Colostrum contains many unique peptides and nucleotides that boost viability of calves.

Acts as a stabilizing agent.

Glycerol and olive oil provide sources of readily available forms of energy.

Powerful antioxidant that protects cell membranes and encourages proper immune system. Natural form (D- α -tocopherol acetate) is twice as available as synthetic E to quickly replenish depleted stores at times of stress.

Palatability enhancement.

Guaranteed Analysis:

Crude Protein, minimum1.0%
 Crude Fat, minimum2.0%

Directions for Use:

Calves: Administer orally at the rate of 10 cc per calf per day as needed

SHAKE WELL BEFORE USE. Store in a cool, dry place, out of direct sunlight. Keep out of reach of children.

Product No. 2211
